

Correction to “Electrochemically Deposited Sb and In Doped Tin Sulfide (SnS) Photoelectrodes”

Mark Seal, Nirala Singh, Eric W. McFarland, and Jonas Baltrusaitis*

J. Phys. Chem. C **2015**, *119* (12), 6471–6480. DOI: 10.1021/jp512927y

Due to a production error, the symbol “In” in the title was published incorrectly. The correct title is given here, and the published version has been corrected on the Web.
