

Correction for A Bio-Based Alternative to the Diglycidyl Ether of Bisphenol A with Controlled Materials Properties

Anthony Maiorana, Stephen Spinella, and Richard A. Gross*

Biomacromolecules 2015, 16 (3), 1021–1031. DOI: 10.1021/acs.biomac.5b00014

In our original submission, the Abstract/Table of Contents graphic contained an incorrect depiction of cellulose. The corrected version is below.
