

# Correction to Total Synthesis of the Potent Androgen Receptor Antagonist (–)-Arabilin: A Strategic, Biomimetic [1,7]-Hydrogen Shift

Hee Nam Lim and Kathlyn A. Parker\*

*J. Am. Chem. Soc.* **2011**, 133, 20149–20151. DOI: 10.1021/ja209459f

Page 20149. Scheme 1 shows incorrect stereochemistry for SNF4435 C and D. The correction has no implication for the results described in the paper. The corrected Scheme is shown above.

**Scheme 1. Nonenzymatic  $8\pi$ ,  $6\pi$  Electrocyclization of *E*, *Z*, *Z*, *Z*-Tetraene 4**
