

Correction to Thermodynamic and Kinetic Studies on Novel Dinuclear Platinum(II) Complexes Containing Bidentate *N,N*-donor ligands

Stephanie Hochreuther, Ralph Puchta, and Rudi van Eldik*

Inorg. Chem. **2011**, *50*, 18, 4984–8996. DOI: 10.1021/ic201151h

Page 8992. Scheme 3 is incorrect and should be replaced by the scheme given below. In the published version of Scheme 3, complex 3 is incorrectly denoted as a transition state, whereas in the accompanying text, it is correctly denoted as an intermediate.

Scheme 3. Visualization of the Different Coordination Spheres during Substitution of the First Water Molecule by Thiourea (L)
