Justin T. Hoffman, Simon Einwaechter, Balwant S. Chohan, Partha Basu, and Carl J. Carrano*: Isomerization and Oxygen Atom Transfer Reactivity in Oxo–Mo Complexes of Relevance to Molybdoenzymes

Page 7573. The symbol § in the author's byline, which gives the present address of Susquehanna University in the footnote, has been erroneously placed by Carl J. Carrano. It should refer to Balwant S. Chohan. The correct electronic version of the paper was replaced on the Web December 14, 2004.
