

Correction to Effect of Backbone Flexibility on Charge Transfer Rates in Peptide Nucleic Acid Duplexes

Emil Wierzbinski, Arnie de Leon, Xing Yin, Alexander Balaeff, Kathryn L. Davis, Srinivas Rapireddy, Ravindra Venkatramani, Shahar Keinan, Danith H. Ly, Marcela Madrid, David N. Beratan,* Catalina Achim,* and David H. Waldeck*

J. Am. Chem. Soc. **2012**, *134*, 9335–9342. DOI: 10.1021/ja301677z

Page 9335: An author name was misspelled; it should be Srinivas Rapireddy.

Page 9341: Grant numbers to two of the authors were inadvertently omitted. Thus the first sentence of the acknowledgment should read “C.A., D.N.B., and D.H.W. acknowledge support from the National Science Foundation (CHE 0628169, CHE1059037, CHE 1057953, and CHE 1057981).”
