

2003, Volume 42

**Martin S. Masar III, Maxim V. Ovchinnikov, Chad A. Mirkin,*
Lev N. Zakharov, and Arnold L. Rheingold:** Fine-Tuning the
Weak-Link Approach: Effect of Ligand Electron Density on the
Formation of Rhodium(I) and Iridium(I) Metallomacrocycles

Page 6854. The reported cell parameter c for compound **2** in Table 1 is incorrect. The correct length of c is 18.615(2) Å. The Cambridge Crystallographic Data Centre supplementary publication number listed for **2** should be CCDC-207570.
